SUBJECT : CONDUCT OF RESEARCH STUDY ON THE SAFETY AND WELL-BEING OF FILIPINO CHILDREN

The Government of the Philippines, through the Council for the Welfare of Children (CWC), will conduct a research study on the safety and well-being of Filipino children nationwide this year. This is the Government's commitment to the regional initiative on the research study that will be participated by nine countries from the East Asia and the Pacific Region. The results of the study will provide a comprehensive baseline data that will allow for evidence-based planning and programming on children to translate the National Strategic Framework into tangible actions to address child protection rights.

The study is a collaborative undertaking led by the CWC with UNICEF, Consuelo Zobel Alger Foundation, Child Protection Network and UP Manila. It will have 4,300 respondents, ages 13-24 years old who will be randomly selected from 172 barangays from 17 Regions. The social preparation will start in May 2015 while the actual data collection will be from June to October 2015. Attached is the list of barangays from respective Region.

In view of the foregoing, all Local Chief Executives concerned are enjoined to coordinate and cooperate with the Research Study Team during the conduct of actual data collection in the identified barangays .

All DILG Regional Directors and Field Officers shall cause the dissemination of this Circular, coordinate with the LCEs concerned in their respective jurisdiction to ensure active involvement of all concerned, and provide technical assistance where appropriate and necessary.
