Memorandum Circular No. 2020-066

Date: 31 MAR 2020

1. Background

1.1. They reported the need for local government units to step up in particularly addressing their needs as human persons and to immediately and adequately support them in these challenging times.

1.2. Significantly, said persons with disabilities also belong to the marginalized groups due to health and financial difficulties even prior to the enhanced community quarantine. They feel that quarantine measures isolate them from accessing resources to fulfill their needs.

1.5. In view of the foregoing, this supplemental guideline is issued to ensure persons with disabilities access to food and health services.

2. Purpose
